Healdsburg Avenue Improvements: How We Got Here and Where We're Going

Thursday, October 2nd

6:00 – 8:00 pm

**Foss Creek Community Center
1557 Healdsburg Ave
(Former Foss Creek Elementary School)**

This is the first* Community Workshop to help shape the final design, character and look of Healdsburg Avenue. The proposed improvements will span from Exchange Avenue to Mill Street and include the new roundabout.

The purpose of this meeting will be to recap the main ideas behind the Central Healdsburg Avenue Plan (CHAP) and why the Roundabout was approved as a priority for the Community. The selected consultant team will explain the project scope and schedule for design and construction. We will be soliciting comments from attendees on the process, and the opportunities this important project offers.

*** Future workshops are scheduled for:**

- Wednesday, October 29th 6:00-8:00pm
- Wednesday, December 3rd, 6:00 – 9:00pm
- Workshops in January, 2015 will be announced after January
